NAVIGATION & SPECIAL NOTES

Following a structural survey, it has been identified that Marlcliff Weir has deteriorated significantly and is on the verge of failing. It is in urgent need of major repairs. The weir has been temporarily repaired but in the next few weeks emergency major repairs will commence. Access for works will be from the Bidford bank and effects on boaters will be kept to a minimum. While works are undertaken we will try and maintain water depth however the reach above Marlcliff Lock to Barton may be low and the depth of water may be reduced at times. Lock Island and Bank repairs and maintenance will also be undertaken.

Boaters are advised to navigate with great care and take direction from Banksmen.
